Duplo

With Automatic Document Feeder (ADF)

1. Check paper level—Add if necessary.
2. Press **YELLOW BUTTON**—Hold for two seconds.
3. Place document to be copied **face up** in ADF.

OR

Center document to be copied along right edge in appropriate size position on the glass **face down** (horizontally) - Close lid.

4. Enter number of copies.
5. Press **MASTER MAKE**.

Note: If you have dark borders on your original, on the control panel push the 94% button. (This will reduce your boards making easy to go through the Duplo).
