

DP-C100/110

The low price and operating costs make the DP-C100 and DP-C110 the perfect choices for any organization with tight budget constraints.

High Quality
Low Cost

Easy to Operate

A clean and concise operation panel and interactive digital display ensure ease of use. Add the optional computer interface to make it even easier to send jobs to the DP-C100 or DP-C110 without leaving your desk!

Fast Printing

For maximum efficiency, Duplo has developed the DP-C100 and DP-C110 to print up to an impressive 130 pages per minute, with the first copy speed in just 21 seconds.

ADF

A built-in automatic document feeder allows for stacking and feeding multiple originals without operator attendance. Simply push print and walk away!

Automatic Master Ejection System

The master ejection system is unique and automatic. Removal of used masters, unlike any other system, is clean and easy.

Color Printing

Multiple colors can be printed by simply changing the ink color via the cylinder unit exchange. Unlimited custom colors are available.

The DP-C100 and DP-C110 offer low cost, high quality, fast printing at the touch of a button.
