

DP-220Le

Infinite Possibilities

When it comes to high quality and superior performance, Duplo Digital Printing Systems and innovative technology go hand-in-hand. The Duplo DP-220Le Digital Printing System offers uncompromising features and benefits traditionally found only on higher priced systems. Trendsetter for the digital printing industry, the DP-220Le offers incredible 300 x 600 dpi resolution.

INNOVATION

The DP-220Le is the ideal choice for any organization demanding what Duplo continues to offer – performance, quality, price, and innovation. In addition to delivering the highest resolution available in its price range, the DP-220Le features Duplo's technologically-enhanced platen top scanning system. Scanning and printing at 300 x 600 dpi, three print modes, and unlimited color options demonstrate this machine's superb versatility.

Reliability is enhanced by an innovative electromagnetic feeding system that eliminates stressful mis-feeds and reduces printing noise. At speeds up to 125 pages per minute, the 1,100-sheet (20 lb.) feed and receive capacity cuts downtime, as the air-assisted sheet separation mechanism and uniquely designed concave receiving tray assure quick drying time. Low maintenance requirements and cost-per-copy benefits ensure efficient operation and optimized productivity.

CONNECTIVITY

With a simple touch of a button, the optional high capacity 75-sheet (20 lb.) automatic document feeder offers hands-free operation. The user-friendly LCD control panel simplifies operation, while the optional computer connectivity offers superior first generation output quality. Desktop printing is effortless and easy with the unique integrated optional computer interface, allowing the operator to send print jobs directly to the duplicator.

Explore [infinite possibilities](#) with Duplo.

300 x 600 dpi

- 300 x 600 dpi
- Platen Top Scanner
- Thermal Digital Master Making
- 1,100-Sheet Feed/Receive Capacity
- Unique Feeding System
- Patented Automatic Master Disposal System
- Computer Interface with PC or Mac
- Text/Photo/Duo Print Modes
- Air-assisted Sheet Separation
- Reduction, Enlargement, Zoom

Digital Printing System

D P - 2 2 0 L e s p e c i f i c a t i o n s

User-friendly control panel simplifies operation.

State-of-the-art optional ADF holds up to 75 sheets for one-step printing.

The concave receiving tray creates an air passage during the transport of documents that reduces drying time.

Resolution	300 x 600 dpi
First Copy Speed	19.5 seconds*
Scanning Method	Platen top scanner; optional ADF
Speed	Up to 125 pages per minute**
Document Size	Maximum 11" x 17", minimum 4" x 5.8"
Document Weight	17 lb. - 34 lb.
Paper Size	Maximum 10.6" x 16", minimum 2.75" x 5.7", ledger 11" x 17"
Paper Weight	13 lb. - 110 lb. index
Paper Feeding Capacity	Tray 1,100 sheets of 20 lb.; ADF 75 sheets of 20 lb.
Paper Receiving Capacity	1,100 sheets of 20 lb.
Image Area	8.2" x 13.6"
Scanning Area	11.46" x 16.65"
Preset R/E	64%, 74%, 77%, 94%, 121%, 129%, 141%
Zoom	50 - 200%
Contrast Control	Three settings of automatic, dark, and light
Image Shift	15 mm vertical, 10 mm horizontal
Standard Features	Image thermal head; LCD; confidential mode; job memory and programming; 2-up mode; book shadow erase
Special Functions	2 in 1; master density control; master size selection
Options	Computer interface, print color cylinder, job separator kit, key card counter, ADF
Spot Color Ink	Unlimited custom colors
Print Mode	Photo, text, duo (photo/text)
Unit Dimensions (LxWxH)	50" x 24" x 26" (in use); 27" x 24" x 26" (folded); 50" x 24" x 32" (in use, ADF installed); 27" x 24" x 32" (folded, ADF installed)
Power Source	120V 60Hz
Weight	161 lbs. or 73 kg (without ADF); 179 lbs. or 81 kg (with ADF installed)
Power Consumption	190W, 2.5A

* LTR size
